

Instructions for Home School Applicants

Pope John Paul the Great welcomes applicants transferring from home school programs. Because programs vary, clear and concise information about each student and program is necessary in order to properly evaluate your application for admission and placement purposes.

How to apply:

1. Rising 9th and 10th graders transferring from a home school program are required to take the High School Placement Test. Please see the [Admissions](#) page for dates, registration form, and other important information.
2. [Submit application](#) and application fee.
3. [Submit 2 Teacher recommendation forms](#): One from the primary parental educator; the other should be given to a non-parental adult (such as a co-op teacher) who can speak to some area of the student's academic ability and character. The second recommendation should be sent confidentially to JP, not through the applicant.
4. Submit transcripts
 - **Rising 9th Graders:** Please submit 7th and 8th grade transcripts. **Please click here for Transcript Instructions, and a sample Middle School Transcript form.** This form *may* be used by any home school program, and *should* be used by any home school program that does not use a recognized, standardized, home school curriculum and grading service.
 - **Rising 10th and 11th graders:** Please submit high school transcripts for years completed. **Please click here for Transcript Instructions, and a sample High School Transcript form.** This form *may* be used by any home school program, and *should* be used by any home school program that does not use a recognized, standardized, home school curriculum and grading service.
 - **ALL:** If a standardized home school program is used for curriculum and grading (such as Seton Home School, Abeka, Kolbe Academy, etc...), please request their standard transcript. Our [Records Release Form](#) may be used for this purpose.
