CATHOLIC HIGH SCHOOL

## Options Program Information Night

**Join us Wednesday, October 20, 2010, from 6:30 – 7:30pm  
to learn about this unique special education program**

Pope John Paul the Great Catholic High School is proud to offer the *Options Program*. The Options Program provides the opportunity for students with cognitive impairments and/or significant learning disabilities who cannot access the general curriculum to grow socially, spiritually, and academically alongside their peers in a Catholic environment.

The program focuses on academic as well as vocational skills, with each student's education plan being highly individualized. A primary goal for each student is to be as fully integrated as possible into the total life of the school community. We are currently accepting applications for the 2011-2012 school year.

If you are interested in attending the informational meeting please RSVP to Miss Megan Battle, Director, Special Services: (703) 445-0235 or [megan.battle@jpthegreat.org](mailto:megan.battle@jpthegreat.org)
